Dear Parent/Carer,

An exciting opportunity has arisen for your child's class to visit the offices of the company, Amazon. They will be able to use resources provided to take part in an 'hour of code' Computing workshop. This is part of Amazon's Future Engineer programme.

This workshop will take place on **Thursday 12th December** and will be a morning trip, returning to school for lunch. The purpose of the trip will be for the children to **create an animation** by writing their own code.

We will be taking the underground from school to Old Street tube station. Your child will need comfortable shoes, a coat and a water bottle.

If you are happy for your child to attend this event, please sign and return the permission slip below to the school office or Mr Field.

Yours faithfully,

Mr C.Field

(Lower Key Stage 2 and Computing lead)
