EXCITING PARTNERSHIP PROJECT COMING IN JANUARY 2020!

Dear Parents and Carers,

We are writing to let you know that Ambler Primary School and Children's Centre are entering into a very exciting partnership with Duncombe Primary School.

Some of you may remember Helen Ryan who was our Deputy for a number of years. Helen is now the new Head Teacher at Duncombe and we will be working together to support them in this time of transition.

As an 'Outstanding' school we can share best practice, processes and systems that have worked for us and work on joint projects that will enhance both schools.

The 'strategic partnership' will start officially in January 2020 and the project will last up to 2 years.

We look forward to working with another local community school and all the opportunities this might bring.

Once the partnership has begun Helen and I will hold a coffee morning together to let you know about all the exciting things that we have planned.

Yours,

Juliet Benis
