Dear Mums, Dads and Carers,

As part of the Literacy curriculum, Year 6 are studying the novel 'Goodnight Mr Tom' by Michelle Magorian. There is an excellent film adaption of this book that we will be watching to aid our understanding of the novel and what life was like in World War II. All parts of the film and book are discussed in depth with the children so they understand what they have seen. We will also be showing 'Cheaper by the Dozen' on Parents Evening (a choice made by the children).

Both films are rated PG. If you have any questions about these films, please feel free to see me in the playground after school where I can answer your questions.

Yours faithfully,

Emma Martin & Isabel Roberts
