#### PE Costs 2015/16

Ambler is committed to the development of Sports and PE and has heavily invested in improving sport provision. We have invested in the LSA for two years and will continue to do so with the support of the sport grant. In addition, we have used the sports grant to audit and further drive all aspects of sport at Ambler. The school pays out much more than we received as demonstrated in the snap shot for 2015/16.

In 2016/17, Ambler Primary School, Ambler intends to spend the next allocation PE and School Sport money to meet the following objectives:

- To continue to provide children with a range of extra-curricular clubs, adding new clubs to the school to provide more opportunities for targeted groups of pupils (inc. fencing and fitness to dance)
- To improve the sporting resources available at Ambler by adding new areas for PE – including a new netball court.
- To continue to provide our staff with high quality CPD to support and develop them as PE teachers.
- To take part in more sporting competitions both across the borough and nationally – particularly in KS1.
