August 2016

On behalf of the Governing Body of Ambler Primary School and Children's Centre I would like to re-affirm our commitment to value and celebrate the diversity of the community that makes up Ambler. All the children, parents and carers and everyone who works at Ambler whatever their backgrounds, nationality or religion are welcome at Ambler.

I want to reassure everyone in the Ambler community that we value what each of you brings and that you all make such a huge contribution to the success of our school and children's centre.

John Nicholson
Chair of Governors
Ambler Primary School and Children's Centre
