

## P.E.

P.E. will take place on **Wednesday**.

P.E. kit = black tracksuit bottoms, shorts or leggings + Ambler coloured t-shirt + trainers

**Please note that if your child does not have their P.E. kit, they will be unable to take part in the P.E. lesson, therefore missing an excellent learning opportunity!**

## Social Emotional Aspects of Learning

In Personal, Social and Health Education (PSHE), we will be learning about drugs, alcohol and tobacco.

They will learn about what influences people to use these substances, the potential risks of smoking and drinking alcohol as well as strategies to combat peer pressure.

## Reminders:

- School starts at 8:55am.
- Reading at home for 30 minutes each day.
- Times tables should be practised daily.
- Homework is handed out on a Friday.
- ReachOut Mentoring (select Year 6 children) – Wednesdays after school (pick up at 5.30)
- Action Tutoring (select Yr 6 children) – Thursday morning (8.15 start)

# YEAR 5 CURRICULUM BOOKLET

## Spring 2

## Information for Parents and Carers

# Curriculum

## History

Our topic this term is Vikings!

Children will learn:

- Key dates
- Where the Vikings came from
- Why the Vikings invaded
- What impact the Viking invasion had on Britain.

## R.E.

Our topic this term focuses on the question "What would Jesus do?" The children will learn about Christian values such as forgiveness, fairness and love.

## Computing

This term, the children will learn how to use software to plan, create, edit and present a video they have made.

## Music

This term, the children are taking part in the Apollo music programme. Professional musicians come to the school to play a variety of music to the children as well as provide the opportunity to explore the instruments. The children will also have weekly music lessons on Wednesdays.

## Maths

This term, we will be focusing on fractions, decimals and percentages.

Some of the skills children will learn are:

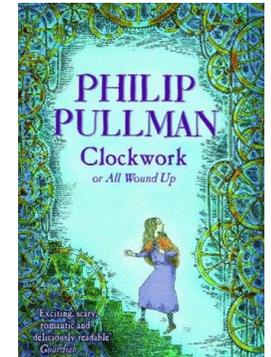

- Finding fractions of amount eg.  $\frac{4}{5}$  of £340
- Understanding decimals to 3 decimal places
- Rounding, comparing and ordering decimals
- Finding equivalent fractions and decimals
- Understanding percentages
- Finding equivalent fractions, decimals and percentages

\*\*In year 5, it is expected for all children to know their times tables to  $12 \times 12$ , the division facts and the related facts.

Eg.  $7 \times 6 = 42$      $70 \times 60 = 4200$      $0.7 \times 0.6 = 4.2$      $7000 \times 6000 = 42,000$

## Literacy

Our 1<sup>st</sup> unit this term is a mystery narrative based on our book 'Clockwork' by Philip Pullman. The children will focus on how to build tension in their writing to excite and entertain the reader.

Our 2<sup>nd</sup> unit this term is non-fiction based on our history unit: The Vikings. The children will write learn how to structure a debate and then write up a balanced argument on a question they generate about the Vikings.
