P.E.

P.E. will take place on **Friday.**

P.E. kit = black tracksuit bottoms, shorts or leggings + Ambler coloured t-shirt + trainers

Please note that if your child does not have their P.E. kit, they will be unable to take part in the P.E. lesson, therefore missing an excellent learning opportunity!

Social Emotional Aspects of Learning

In Personal, Social and Health Education (PSHE), we will be learning about our emotions and how they can be experienced in our body, how change can effect our feelings and feelings that are associated with loss, grief and bereavement.

Reminders:

- School starts at 8:55am.
- Reading at home for 30 minutes each day.
- Times tables should be practised daily.
- Homework is handed out on a Friday.
- Action Tutoring (select Yr 5 children) – Thursday morning (8.15 start)

Curriculum

Geography

Our topic this term is Exploring Eastern Europe!

Children will learn:

- Features of eastern European landscapes and how their compare with our own
- The human geography of eastern European regions
- The climate of eastern European regions

Eastern European Countries   WorldAtlas

R.E.

Our topic this term focuses on the question "Why do some people believe God exists?" The children will learn about different religions and will discuss and analyse people's faiths.

Science

This term, the children will learn about different forces such as gravity, friction, water and air resistance. They will also learn about how we use mechanisms like levers, gears and pulleys. The children will identify forces and find out about Isaac Newton and his discoveries.

Maths

This term, we will be focusing on decimals, shape and measure
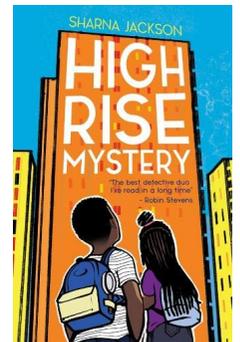

Some of the skills children will learn are:
- Understanding decimals to 3 decimal places
- Rounding, comparing and ordering decimals
- Understanding money and finding change
- The conversion between mm, cm, m, km, ml, l, mg, g

**In year 5, it is expected for all children to know their times tables to 12 x 12, the division facts and the related facts.

Eg. 7 x 6 = 42   70 x 60 = 4200   0.7 x 0.6 = 4.2   7000 x 6000 = 42,000

Literacy

Our 1st unit this term is based on the fast-paced mystery book 'High Rise Mystery' which is set in London. The children will write in role, as a detective, and comple a police report based on the events of the book.

Our 2nd unit this term is non-fiction based. The children will hone their reporting skills to complete a newspaper article on a subject based on the text. The will focus on writing in a formal tone, using journalistic language and a range of punctuation eg. semi-colons and dashes.
